

Features and Benefits

This collection includes armchair, settee, loveseat and three-set sofa.

Foro is enhanced by height-adjustable tables slotted into the specially designed aluminum legs.

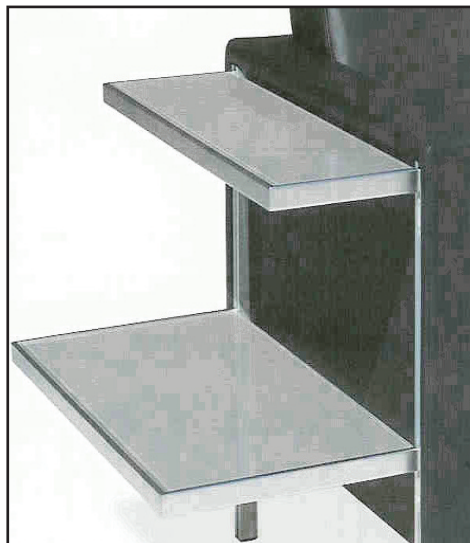

A round table, for laptops or writing, with a double swivel action is also available.

Foro is the ideal seating solution for reception, guest areas and public seating applications.

The foro collection offers comfortable long-term seating in a modern design.

Endless fabric and leather upholstery options.

Moderate price points.

SPECIFICATIONS

Frames are constructed of hardwood.

Seat and back cushions are dacron-wrapped multi-density polyurethane foam.

Seat is webbed for added comfort.

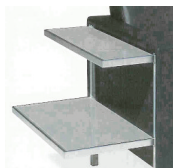

Tabletops may be specified in anthracite black compact laminate or painted tempered glass.
