general information

GENERAL ORDERING INFORMATION

HOW TO PLACE AN ORDER

Direct all orders to:

Kron Designs
6818 NW 20th Avenue
Fort Lauderdale, FL 33309
telephone: 800-566-5766 (kron)
fax: 954-942-7744

PLEASE SPECIFY:

- collection name
- model number, including suffix
- model description
- quantity
- covering material (pattern, grade, color, number)
- finishes
- options
- pricing, including options
- shipping preference (method, carrier, route)

Note: All dimensions are approximate. If critical specifications are required, please consult factory. When specifying modular seating, all elements are identified by facing the front of units.

PACKAGING

Except as otherwise specified, all kron furniture is poly-wrapped with polyethylene foam padding and shipped in cartons, the cost of which is included in prices.

CONTRACT SPECIALS

Kron will consider, whenever possible, on a project-by-project basis, requests for minor variations in kron models and will be pleased to respond to customer inquiry as to feasibility and pricing. Special sizes for conferencing/dining and occasional tables are usually available, please consult factory for pricing.

MATERIALS AND FINISHES

Because many of the materials kron uses are natural materials and therefore, accept finishing differently, kron cannot guarantee that finished items will be an exact match to sample from which finish was selected. Not all finishes offered are available for all products: refer to specific product specifications for selections and consult with factory as needed.

Metal: Metal finishes for a variety of kron collections include polished aluminum and black epoxy coat as base options for executive seating. Steel metal frames are offered in metallic powdercoat finish as standard, bright and or brushed chrome as special order.

Granite: Granite is collected from different quarries, providing four distinctive colorations including peal gray, rose, charcoal and africa red, priced in grades a and b. Please consult factory for sizes and specifications.

SPECIAL FINISHES

Kron is pleased to cooperate with requests for special finishes, when the need arises, with an order of ten or more pieces. Please consult factory for preliminary approval and processing instructions. Specific upcharges to cover the cost of applying special finishes, or non-standard kron finishes, to intended kron items are shown in the individual product specifications. These upcharges are in addition to the cost of special finish material, if other than kron colors. Custom colors require an additional one-time charge of \$60.00 net per color for mixing and customer approvals.

KRON TEXTILES

Kron textiles include a broad selection of companion programs with DesignTex and Mayer fabrics for application on kron models, as well as for purchase separately. For

detailed information on purchasing kron textiles, refer to Textile Ordering information and prices elsewhere in this price list. Offering of these fabrics does not constitute any responsibility nor any warranty on the part of kron as to appearance, behavior, color fastness, or durability of the fabric. Call factory for grading of fabrics not listed.

For the complete coloration and/or samples of the Mayer or DesignTex programs, please contact either the fabric company representatives or kron directly.

KRON LEATHER COLLECTION

Kron offers a selection of fine full-grain and top-grain leathers. kron leathers include several varieties with over 100 different colors and are priced within grades b, c and d.

For more detailed specifications of kron leathers, please refer to kron leather collection price list contained herein.

For samples of leather varieties and colors, please contact your kron representative or the factory. For custom leather colorations, please consult factory for leather availability and special requirements.

Because of natural variations over which kron has no control, leather hides contain certain marks, scars, scratches, wrinkles, and variations in color, texture and grain which are considered to be inherent characteristics and part of the natural beauty of leather. Kron cannot be responsible for the size or location of such marks or variations.

TEXTILE MAINTENANCE

Kron recommends professional cleaning services for all leathers and fabrics. Detailed maintenance information for kron leather is available through your regular sales representative or from the factory. For maintenance of DesignTex, and Momentum fabrics, consult these suppliers.

Note: Variations in color between dye lots for both leathers and fabrics cannot be avoided and kron cannot be responsible for differences in color or tone between covering material supplied and samples from which choice has been made, or for matching upholstery for separate orders. If color match is critical, request a sample from actual goods prior to cutting. Please consult factory for standard flammability and protective finishing of kron Textiles.

CUSTOMER'S OWN MATERIAL (COM)

CUSTOMER'S OWN LEATHER (COL)

Kron is pleased to cooperate with requests for COM/COL applications. To help ensure a satisfactory merging of COM/COL with selected kron furniture, kron requires that the com/col be approved prior to order placement and acceptance.

APPROVAL PROCEDURE

Prior to order placement a sample cutting of the actual COM/COL must be submitted to kron for preliminary approval on an intended item. COL and plain COM require a minimum 3 x 3 sample. COM with a pattern repeat requires a sample large enough to show full repeat. Complete fabric information and special instructions in writing must accompany sample.

Necessary COM/COL information must include the quantity and identification of kron model on which the fabric or leather is to be applied, in addition to the following:

- supplier name
- pattern name and number
- fabric width
- fiber content
- weave or pattern direction, (eg., railroading)
- face side of fabric, if similar or reversible
- other details pertinent to submitted sample

Different fabrics and leathers may differ in appearance and wrinkles from showroom samples and catalog photographs

when in use. Kron assumes no responsibility for overall appearance, flammability, normal durability, colorfastness, performance or other quantities of customer supplied material on the finished product. Even after preliminary approval, kron reserves the right to reject com/col including, if necessary, application of com/col to the selected model.

YARDAGE AND SQUARE FOOTAGE REQUIREMENTS

FABRIC: Unless otherwise indicated, kron always applies fabric topped, as shown on fabric sample card. Published yardage requirements are based on topping plain fabrics 52-54" wide. Plain fabrics 50-51" wide require additional yardage of 10%; for fabrics under 50" wide, consult factory.

Fabrics that have a pattern with a repeat necessitate matching and require additional yardage as shown below. **Matching patterns requires an upcharge of 3%.**

| <i>width</i> | <i>repeat</i> | <i>increase by</i> |
|--------------|---------------|--------------------|
| 54" | up to 8" | 15% |
| 54" | 8-14" | 20% |
| 54" | 15-19" | 25% |
| 54" | over 20" | 30% |
| under 54" | | consult factory |

Fabrics that are directional or napped (eg., velvet) may require additional yardage. Please consult factory.

It is recommended that stripes be applied vertically. In the absence of specific instructions from customer, kron will use its best judgement in the application of com.

LEATHER: Published square footage for customer's own leather is based on hides measuring a minimum of 45 square feet; smaller hides and hides containing excessive holes, cuts or other unusable imperfections may necessitate additional seams and could require increased square footage. To determine COL suede square footage, please consult factory.

SHIPPING OF COM/COL

All goods for approved com/col applications are to be shipped freight prepaid. Outside of package must be clearly tagged with the following:

- customer's name and project identification
- yardage or square footage contained in shipment
- goods' supplier, pattern name and number
- kron model number and quantity for intended application

Fabric or leather delivered without proper identification clearly marked on outside of package will be refused and kron shall have no responsibility for loss or any other claim.

The manufacture of kron items for use with com/col will not be scheduled for production until customer's goods are received at kron factory.

SPECIAL FLAMMABILITY CODE REQUIREMENTS

When a specific flammability specification is required, kron should be informed of the code to be passed and the method of testing for that particular code. kron will determine if specified model will meet that particular code. Flammability requirements of com/col are the responsibility of the customer before the fabric/leather is shipped to kron.

All foam meets California Home Furnishings Bulletin, #117, Section E, with no upcharge.

CALIFORNIA TECHNICAL BULLETIN 133

California Technical Bulletin 133 requires special construction procedures and some fabrics may require additional treatment for compliance. Please consult with Customer Service for upcharges.

terms and conditions of sale

ORDERS AND ORDER ACKNOWLEDGEMENT

All orders shall be in writing and will be confirmed by Kron in writing prior to production. Telephone orders will not be processed until written order is received. Orders are not binding on Kron until the order acknowledgement is issued. The order acknowledgement is the final expression of the agreement between the customer and Kron, and supersedes, all prior oral and written statements regarding the order. The acknowledgement can be modified only in writing from Kron, or by an acknowledgement issued by Kron.

CHANGE ORDERS

Kron is not required to accept changes requested after the order acknowledgement, however, as a general rule, Kron will accept reasonable changes with the following conditions:

" the request for change must be submitted in writing and received in time to be implemented.

" Changes will be subject to additional charges for material, labor and administration costs.

CANCELLATIONS

Orders may not be canceled by the customer without the prior written consent of Kron. A cancellation or restocking charge of up to the total amount of the order is applicable on orders canceled. If orders containing customer's own material / leather (COM / COL) are canceled after production has begun, the COM/ COL cannot be returned or credited.

PRICES

Published prices are list, freight paid by Kron, to any one destination (dock to dock) within the continental U.S. Outside the U.S. additional freight charges will apply. \$50 freight charge for orders under \$1500 list will apply. Because of frequent fluctuations in raw materials Kron reserves the right to change prices without notice. All orders accepted subject to prices prevailing at time of order. Prices do not include:

- " Storage or insurance charges
- " Sales or other taxes
- " Local delivery, uncartoning or installation

MINIMUM ORDER

Due to the high cost of processing orders, any order under \$1500.00 List will be subject to a \$40.00 net service charge. All orders of less than \$3,000.00 List to destinations outside the U.S. subject to \$50.00 net charge to cover additional paper work.

TERMS OF PAYMENT

Orders require 50 % deposit upon placement of order, balance required prior to shipment. Terms for accredited customers are net ten days. Kron may cancel or change credit terms at its discretion and may request advance payment at any time. Payment is due upon receipt of invoice and is considered delinquent if not made within ten days from the date of invoice. In the event timely payment is not made, Interest will be charged at the rate of 1 1/2, % per month. Buyer will also be liable for normal collection costs including attorney's fees. Title to goods sold shall be retained and reserved by Kron as long as monies are owing, even if such goods have been delivered.

STORAGE

When merchandise is ready and the Buyer cannot accept the delivery, the below listed storage charges will be assessed: (Charges below are based on a five day week, i.e. \$25 per day would not exceed \$125 per week)
A. Quantity of 25 items or less - \$25.00 per day
B. Quantity of 26 to 100 items will be \$1 per day per chair
C. Quantities exceeding 100 may require an off-site quote depending on current activities. Please note: Storage fees are to be prepaid.

SHIPPING

All quoted delivery dates are approximate and all orders are subject to delay or failure of delivery due to strikes

or other labor difficulties, acts of God, war, riot, fire, accident, compliance with government regulations or other causes beyond Kron's control. Kron is not liable for any delay in shipment. All Kron shipments are made on a dock-to-dock basis. Inside, residential or call before delivery services subject to additional charges by the carrier. Kron does not provide set-up or installation.

DAMAGE CLAIMS

Kron is not responsible for damages or loss incurring in transit. All furniture is shipped at the purchaser's own risk after it has been carefully inspected and securely packed. It is accepted as such by the carrier. Before accepting merchandise from the carrier, customer should carefully inspect all items and note any loss or damage on the delivery receipt. If there is loss or damage, make immediate claim with the delivering carrier. In case damage is concealed and not determined until furniture is unpacked, keep the packing and notify the carrier immediately for an inspection. Failure to make such claim shall constitute acceptance of the merchandise and waiver of any defects, errors or shortages.

OTHER CLAIMS

All claims against Kron other than valid warranty claims including claims for shortages and errors must be made within ten days after delivery. Failure to make any such claims against Kron within such ten day period shall constitute acceptance of the merchandise and waiver of any such shortages, errors or other claims.

RETURNS

No return of merchandise will be accepted without our written consent and shipping instructions. Unauthorized returns will not be accepted and will be returned freight collect. Authorized returns must be made on a freight prepaid basis to Kron's designated destination and are subject to substantial restocking charges (25% to 80% of invoice amount). Special order items are not subject to return.

CUSTOMER'S OWN MATERIAL/ LEATHER

Kron reserves the right of preliminary approval for all COM / COL prior to order acceptance. Even after such preliminary approval, Kron reserves the right to reject COM / COL including, if necessary, application of COM / COL to the selected model. When COM/COL is accepted, Kron assumes no responsibility for its appearance, durability, color-fastness or any other quality after being upholstered on Kron product.

Prices include labor to apply COM (fabrics and vinyl) or COL (leathers and suede) to Kron product. At Kron's discretion, additional yardage, labor charges, or handling surcharges may be required as a condition of COM / COL acceptance. COM/COL delivered to Kron's factory without preliminary approvals, order acceptance and appropriate identification may be refused and Kron will accept no responsibility for loss or any other claims.

DESIGNS AND SPECIFICATIONS

The products shown and described in the Kron catalog and price lists are, and remain, our property. All dimensions shown are approximate. Kron reserves the right to make changes in price, dimensions, design and construction without prior notice.

WARRANTY

Kron utilizes top quality materials and merchandise for the manufacture of its products. Strenuous tests for structural integrity are performed, where applicable under BIFMA (Business and Institutional Manufacturer's Association) guidelines.

12-YEAR LIMITED WARRANTY

All structural components are warranted against defects in material and workmanship for 12 years from date of original purchase. Mechanisms, controls and gas cylinders are warranted against defects in material and workmanship for 5 years; foam and padding materials for 2 years.

During the warranty period, kron will repair or replace, at

its option, defective merchandise manufactured by kron. This warranty does not cover labor, freight or other costs or expenses to remove or install any defective, repaired or returned goods.

This warranty does not apply to defects in components or materials not manufactured by kron, except as herein stated. This warranty specifically excludes customer's own material, damage resulting from shipment to storage outside of kron premises, or to damage resulting from accident, alteration, abuse, misuse, negligence, or normal wear and tear. Covering materials are not warranted against fading, wearing and performance, or if cut by the customer or others. Printed textiles are not warranted against irregularity in register. Because of natural variations over which kron has no control, this warranty does not extend to color, surface, grain or texture of leather, granite or wood; and kron does not warrant matching of color, surface grain or texture of these materials, except as stated herein.

All other express warranties and all implied warranties, including any warranty of merchantability or fitness for a particular purpose, are hereby excluded. In addition, Kron shall not be liable for any incidental or consequential damages. This warranty extends to original customer only.

KRON TEXTILES

All other General Ordering Information and Terms and Conditions of Sale are applicable except as herein amended or supplemented:

Fabrics are computed to the nearest 1/4 yard, minimum order requirement is one yard.

Leathers are computed to the nearest full hide, minimum order requirement is one hide. When filling leather orders, kron will make every attempt to select full hide sizes to match as closely as possible, but not be less than, the specified square footage. Leather is a natural product and hide size varies; some overage should be expected.

PRICES

All published prices for kron textiles are net F.O.B. Fort Lauderdale, Florida and are subject to change without notice. Prices do not include:

- 1 shipping
- 1 storage or insurance
- 1 sales and other taxes
- 1 local delivery, unpackaging or installation

CLAIMS

Claims on yardages or square footage of fabrics or leathers will not be considered if goods have been cut by the customer or others. No claims for labor charges will be allowed in any circumstances. Cutting of textiles will be deemed acceptance of the textiles yardage or square footage and waiver of all defects, shortages and errors.

Kron Leather Collection

Kron leathers, selected from only the finest hides are full and top grain and are drum dyed with aniline to provide rich, pure penetrated colors, while preserving the natural surface grain texture of the leather.

By utilizing various tanning and finishing methods, a broad variety of leathers with individual characteristics and qualities and price grades can be offered. The kron leather collection includes three different leathers with over 100 colorations.

Leather is computed to the nearest full hide. Minimum order requirement is one hide. For pricing for quantities over 3,000 square feet, consult factory. Samples available upon request.

| | | price grade | net \$/sq.ft. 1000 & under |
|---|------------|----------------|-------------------------------|
| odessa | | b | 6.25 |
| a top-grain leather with a semi aniline finish and full color penetration with a smooth protective coating; special milling procedures enhance softness. | | | |
| average hide size: | 50 sq. ft. | | |
| weight: | 2.25 oz. | | |
| eurosoft | | c | 7.50 |
| a Top grain, semi-aniline leather; treatment with a combination color-dye coat and breathable protectant results in a very durable finish that provides rich, uniform colors and natural surface grain texture. | | | |
| average hide size: | 54 sq. ft. | | |
| weight: | 3 oz. | | |
| kronsoft | | d | 9.60 |
| a full-grain, 100% aniline, soft European leather. Even coloration throughout all parts of the hide. Smooth look, soft hand, luxurious feel. Superior technical specifications make this leather suitable for most upholstery applications. | | | |
| average hide size: | 58 sq. ft. | | |
| weight: | 3 oz. | | |

Kron Environmental Policy & Practices

In order to advance our sustainable practices and continuously improve our resource effectiveness and product life cycles, Kron has initiated its journey to establish its corporate framework for a sustainable future. Our purpose is to implement a sound Environmental Management System and we strive to adhere to ISO 14001 requirements.

STATEMENT OF COMMITMENT

Kron is committed to promote sustainable work environments, to engage in business practices based on sound economics, to protect the environment and to contribute to our social responsibility by incorporating the BIFMA Sustainability Guidelines into our practices.

Kron's Natural Resources Environmental Policy is to:

- Comply with environmental laws, regulations, and ordinances.
- Constantly monitor our operations to ensure that we help protect natural resources by adopting control procedures, processes, and mechanisms which are proven technically and which are economically feasible.
- Continuously train our employees in environmental concerns, to ensure that their actions are in accordance with our corporate commitment to this matter.

How Policy is implemented:

- Lean manufacturing concepts are adhered to when possible to reduce material waste.
- Environmental impact is considered at all levels, starting with the design concept of our products.
- No CFCs or HCFCs are used to produce polyurethane foam for Kron seating products.

Recycling/Recyclable Initiatives

- Kron's steel and aluminum components are manufactured from recycled materials. These parts may be recycled at the end of the product life cycle.
- Kron recycles scrap textiles.
- Wood shipping pallets are reused and recycled.
- Boxes and shipping materials are from recycled materials.

Product Lifecycle Considerations

- In order to extend the life of each of our products, Kron's timeless designs are specified only with the finest materials.
- All Kron products undergo rigorous testing. Tests conform to or exceed ANSI/BIFMA standards. This ensures product longevity as well as user safety.

Supplier Compliance

Whenever possible, Kron requests that its suppliers operate in a fashion such as to minimize environmental impact. Great effort is applied to reduce, reuse and recycle. Examples include:

- Fabrics: All Kron specified fabrics comply with EPA requirements and contain no ozone depleting chemicals.
- Leather: European high quality hides with average 50-60 square feet provide maximum yield.
- Wood Parts: Wood residues from frame manufacturing are recycled.

Packaging materials

- Cartons are produced from the highest recycled content possible while maintaining the structural integrity of the packaging. This provides cost efficient, biodegradable and recyclable packaging for our products.

Executive, Conference and Task Seating

8101

The aranda collection offers executive, management and conference/guest chairs (shown in guest seating/side chairs section) in two back heights.

The swivel models are pneumatically height adjustable and are offered with either a heavy duty knee-tilt (standard) or optional synchro-tilt mechanism. The knee-tilt and synchro-tilt mechanisms are made of die cast aluminum, and offer 6 and 7 locking positions respectively and a "return prevention" safety function.

A lounge chair, settee, loveseat and three-seat sofa complete the collection, and these are shown in the lounge/reception section of this catalog.

Specifications:

- Die-cast aluminum swivel bases come standard in black epoxy finish while polished aluminum is available for an upcharge.
- Steel sled bases are available in either chrome or black.
- Arm and back frames are combination of hardwood and plywood.
- Seat is in hardwood and webbed for added comfort.
- Cushions are polyurethane foam in various densities wrapped in dacron.

The click is a collection of executive, task and conference chairs as well as cantilever base guest seating designed by Burkhard Vogtherr. Click's sleek profile brings a contemporary elegance to both the office and conference room seating.

Specifications: 3500 & 3400

- The back frame is constructed in cold-cure flexible polyurethane foam, molded around a steel frame. The seat is multi-density polyurethane on hardwood plywood.
- Click is available in three back heights and fixed or adjustable arms.
- Fixed arms are manufactured in steel with integral skin polyurethane armrests.
- Leather wrapped arm covers are available for an upcharge.
- Adjustable arms are steel with integral skin armpads.
- The 3400 series is available with a synchro-tilt mechanism with five locking positions and a retractable tension lever. The five star base is black resin.
- The 3500 series is available with a synchro-tilt mechanism with eleven locking positions and a retractable tension lever. The five star base is polished aluminum. Mechanism cover and backrest supports are chromed.
- To complete the collection, a cantilever base guest chair is available in chrome or black powdercoat finish.

model 3221

model 3231

model 3230

The Slim collection provides a full family of ergonomic office chairs for executive, conference, operational and guest seating.

Chairs are available with sliding seat pan, adjustable back height (both available on synchro-tilt models only) and fixed or adjustable arms.

The swivel models are pneumatically height adjustable and are offered with either a heavy duty knee-tilt (standard) or optional synchrotilt mechanism. The knee-tilt and synchro-tilt mechanisms are made of die cast aluminum, and offer 6 and 7 locking positions respectively and a "return prevention" safety function.

Kron's Slim incorporates a special fabric, that is breathable and heavy duty. It may be used with a sewn-in front cushion (3100 series).

All models are offered in low, mid and high back versions.

Specifications:

- Slim frames are constructed in heavy gauge tubular steel wrapped in polyurethane foam. The seat is molded in flexible cold-cure polyurethane foam to provide maximum comfort.
- Die-cast aluminum five-star bases come standard in black epoxy finish; polished aluminum is available for an upcharge.
- 3100 series inside back and seat upholstered in leather or fabric. Outside back upholstered in special fabric.
- 3200 series is fully upholstered.

The Slim 3100 series outside back is upholstered in a durable fabric
(black standard, other colors available, consult factory) with seat and inside of back upholstered in leather or fabric.

Options

Synchro-tilt mechanism offers the "return prevention" safety function, 7 locking positions and a two-to-one back to seat reclining function.

please refer to page 29 for all other options

Options

Senior arm options:

Integral skin arm

Integral skin arm with upholstered cover

Fully upholstered arm

Fully upholstered closed arm

*Cannot be used with synchro-tilt (12) mechanism.

Slim arm options:

Fixed resin arm

Fixed resin arm with upholstered cover

Height and width adjustable arm; soft integral skin

Slim upholstery options:

3100 series - Upholstered in durable/breathable fabric on the outside back, leather or fabric on inside of back and seat

3200 Series - Fully upholstered in leather or fabric

Executive, Conference and Task Seating

The swivel models are pneumatically height adjustable and are offered with either a heavy duty knee-tilt (standard) or optional synchro-tilt mechanism. The knee-tilt and synchro-tilt mechanisms are made of die cast aluminum, and offer 6 and 7 locking positions respectively and a "return prevention" safety function.

OPTIONAL CONTROLS MAY BE SUBSTITUTED FOR 08 MECHANISMS (SWIVEL/KNEE-TILT/PNEUMATIC LIFT):

| | |
|---|--------------------|
| - 06 swivel/knee-tilt/fixed ht. | (same price as 08) |
| - 04 swivel/pneumatic lift | (deduct \$50.00) |
| - 02 swivel/fixed ht. | (deduct \$50.00) |
| - 12 swivel/synchro-tilt/pneumatic lift | (add \$200.00) |

base finish:

| | |
|---------------------|---------------|
| - standard is black | |
| - polished aluminum | (add \$75.00) |

optional casters/glides:

| | |
|---------------|-------------------|
| - soft-tread | (no upcharge) |
| - anti-static | (add \$35.00/set) |
| - braking | (add \$35.00/set) |

Lounge, Reception, Armchairs & Sofas

| sempre | 42-43 |

The aranda lounge seating offers reduced scale dimensions and sharp clean lines.

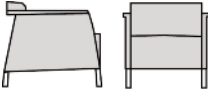

The collection offers a lounge chair, settee and three-seat sofa.

The lounge seating compliments the aranda office seating (located on page 11) allowing for a complete office environment.

Arm and back frames are molded in rigid polyurethane foam. Seat and back are in beechwood and webbed for added comfort and structural support.

Legs are made of steel with metallic powdercoat finish. Bright chrome is special order.

Lo offers contemporary design that complements the second model (La) of a design proposal, (Lo-La) by Burkard Vogtherr. The result is an experience that harmonizes form with function. The Lo swivel base offers a practical seating solution for a variety of installations, from reception areas to residential spaces.

Seat and back frames are manufactured in metal and hardwood, molded in cold-cure polyurethane flexible foam. Lo features a steel swivel pedestal base, available in a metallic powdercoat finish. A tablet arm is available as well as a complimentary occasional table offered in two diameters.

manolete

Designer: Alberto Lievore

80/L & 80/R

A dramatic design expression named in honor of the late legendary Spanish toreador, manolete subtly echoes the outline of the bullfighters hat and vivid red cape draped over his arm.

The manolete collection includes one-arm, two-arm, and armless models and settee. Legs are sculpted in hardwood and finished in either natural, black, cherry or mahogany.
