Features and Benefits

La offers contemporary design that complements the first model (Lo) of a design proposal (Lo - La) by Burkhard Vogtherr. The result is an experience that harmonizes form with function.

Both the Lo and La lounge chairs are designed for today's corporate environments, reception and break-out areas, hospitality, public spaces as well as residential -installations.

170 lounge chair / four leg/

Frames are manufactured out of hardwood and the seats are webbed for added comfort.

High resilience foam (HR) is used for maximum comfort and durability.

Bases are in rectangular steel tubing and are offered in metallic powdercoat (standard) or bright chrome as a special order.
