Features and Benefits

The la scala collection consists of a single lounge chair, settee and three-seat unit, along with full compliment of occasional tables.

Seating elements are available with either glides or dual wheel black casters.

The collection offers round swivel tables in two diameters that are easily attached to either the right or left legs.

Allows for a multitude of seating and table configurations based on the application.

An extremely flexible collection, which conforms to multiple applications.

Endless leather and fabric upholstery options.

Moderate price points.

SPECIFICATIONS

Frames are manufactured out of hardwood and the seats are webbed for added comfort.

High resilience foam (HR) is used for maximum comfort and durability.

Bases are in rectangular and round steel tubing and are offered in metallic powdercoat finish (standard) or bright chrome as a special order.

Leather wrapped arms are optional.

Table tops may be specified in anthracite black compact laminate or tempered painted glass.
