

Features and Benefits

The mango collection includes an armchair and three different styles of settee, featuring left or right-arm configuration.

Optional left or right-side mounted swivel tablet arms.

Variety of companion conference and occasional tables with floating tops.

Light-scale, rectilinear design with uniformly smooth and rounded surfaces.

The mango seating collection provides comfortable long-term seating in a classic-modern design.

Ideal for commercial, hospitality, corporate office, VIP suites, lounge seating areas or residential applications.

Noted for its versatility, each piece can make an independent statement or collectively can create an entire space environment.

Dual fixed-in-place cushions and angled backrests to provide lumbar support.

Moderate price points.

SPECIFICATIONS

Hardwood frame with webbed seats for extra comfort.

Multi-density foam padding wrapped in dacron.

Seating and table bases consist of rectangular steel tubing.

Base finish options: Metallic powder-coat

Tops on occasional, corner and conference tables may be specified in anthracite black compact laminate, painted tempered glass, or leather.

Bright chrome available as an option.
