

## Features and Benefits

The Manolete Collection consists of one-arm, two-arm and armless models, as well as a settee.

The Manolete subtly echoes the outline of the bullfighter's hat and vivid red cape draped over his arm.

The Manolete offers a dramatic design expression that adds intrigue to any room that it occupies.

## SPECIFICATIONS

Manolete offers either one-arm, two-arm and armless model as well as a settee.

Legs are hardwood and are available in an array of finishes.

Frame is hardwood and plywood.

Seat and back cushions come in various densities of polyurethane foam wrapped in dacron.
