

Features and Benefits

This collection includes executive, management, conference and guest models in four back heights with open or closed-panel arms and task chairs.

Arms are available fully upholstered or integral skin polyurethane.

Swivel models feature synchronized seat/back or knee-tilt mechanism.

The senior series is versatile and meets all the needs of today's demanding office environment.

Senior's options are designed to allow unique flexibility and a variety of choices for executive, management, administrative, guest and conference seating.

SPECIFICATIONS

Most models are available with fully upholstered open or closed arms.

Integral skin polyurethane arms are available non-upholstered or with covers.

Swivel models feature either knee-tilt mechanisms or synchronized seat-back functions.

Standard aluminum swivel bases are finished in black epoxy, polished aluminum optional.

Bright brass, antique brass or wood caps, stained in natural oak or mahogany, are also available.

Sled based versions offer either black epoxy or chrome-plated finishes.

Seat and back frame construction is of laminated hardwood.

Cushions consist of polyurethane foam, in various densities, encased in dacron wrapping.

Arms are molded in either rigid polyurethane (and upholstered) or integral skin urethane, around a solid steel core.
